PREFACE

I am commissioned by the executors of the estate of the late Emanuel Wertman, Esq., of Philadelphia, to sell his collection of coins at public auction, and, perusing the following pages, collectors will find many excellent coins, notably the Mass. willow tree shilling, 1793 cent, 1793, 1841 and 1852 ½ cents, 1836 dollar, 1853 ½ dime, without arrow heads, New Orleans Mint. Cents, Nevada Mining Co. silver bar, rare Canadian coins, tokens and war medals.

Every coin and medal is guaranteed genuine, and this holds good indefinitely.

I will be pleased to receive and execute bids for the regular commission of 10 per cent. on the amount purchased. No charge on bids not successful.

The auctioneers reserve the right to require a deposit being made by a bidder if they deem it to the best interests of the seller. They will execute bids free of charge, but assume no responsibility and require payment to be made before the goods are removed. All of the coins, etc., are on exhibition at the auction rooms from 9 A. M. to 1 P. M. on day of sale.

No lot is separated. Sold so much each piece.

Catalogues will be priced after the sale for 50 cents, cash with order.

Letters of inquiry about any lot will be cheerfully answered day of receipt.

Carefully examine your bid sheet before sending it in, as errors are very objectionable and lead to much loss

and annoyance. Any person receiving this catalogue who is not interested in collecting will confer a great favor on the undersigned if he will kindly send a postal card to that effect so his name may be taken off mailing list, and contra, if anyone has friends collecting to whom he wishes catalogues sent, I will be happy to send them on notification to that effect.

I am desirous of buying any rare or fine coins and also collections.

Very respectfully,

HENRY CHAPMAN, *Numismatist,*
1348 Pine St., Philadelphia.
